Reviews

*It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

THE EYE OF MINDS MORTALITY DOCTRINE, BOOK ONE THE MORTALITY DOCTRINE

Ember. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.2in. x 5.6in. x 1.1in. From James Dashner, the author of the 1 New York Times bestselling Maze Runner series, which includes The Maze Runner now a 1 movie worldwide and The Scorch Trials soon to be a major motion picture from Twentieth Century Fox that hits theaters on September 18, 2015 comes an all-new, edge-of-your seat adventure. The Eye of Minds is the first novel in the Mortality Doctrine series set in a world of hyperadvanced technology, cyberterrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Michael is a gamer. And like most gamers, he almost spends more time on the VirtNet than in the actual world. The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun. Why bother following the rules when most of them are dumb, anyway? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid to the back alleys and corners of the system human eyes have never seen and there's the possibility that the line between game and reality will be blurred forever. Praise for The Eye of Minds, Book One in the Mortality Doctrine series: More realistic and addictive than any video game. The Eye of Minds sucked me in from the very first page. The Girl with the Dragon Tattoo meets The Matrix in a vividly rendered world of gamers, hackers, and cyber-terrorists. I can't wait to read the next book in the series! Kami Garcia, 1 New York Times bestselling...
