Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Candlewick Press (MA), United States, 2007. Hardback. Book Condition: New. Cynthia Jabar (illustrator). 264 x 251 mm. Language: English . Brand New Book. Count on these frogs for a luminous read-aloud bursting with lyrical sound play and visual surprises. On a wet spring night, one big frog sings KA-BLU-URP! Two tiny frogs sing PREEP, PREEP, three young frogs sing RIBBIT, RIBBIT, all the way up to ten frogs who trill PEEP, PEEP as a frog chorus fills the air with grunts and croaks and chirps. The night is resonant until . . . a car splashes down the street and all the frogs, from ten down to one, are hushed! Shirley Parenteau offers a joyfully cacophonous counting-up and counting-down story, vibrantly illustrated by Cynthia Jabar.
