Frances Lincoln Publishers Ltd, United Kingdom, 2008. Hardback. Condition: New. 2 Rev ed. Language: English . Brand New Book. The North Western Fells are bounded by the River Derwent and the River Cocker - an area lauded by A. Wainwright as first-class fell-walking territory. The ridge walking here is some of the finest in the Lake District, offering views of unsurpassed beauty. There is something for all walkers: steep, high mountains such as Grasmooor, rugged individualists such as Castle Crag, and destinations such as Catbells, which Wainwright calls a family fell where grandmothers and infants can climb the heights together, a place beloved . This second edition of The North Western Fells has been brilliantly revised by Chris Jesty, a trained cartographer who worked with Wainwright on some of the maps in his later large-format guides. All footpaths have been rewalked, all routes checked, all maps and text updated. Paths and routes have been picked out in red to make them easier to follow, and parking information has been added. This new edition of the classic walking guide is Wainwright for the 21st century.
