

Luna: The Astrological Moon

By Paul F. Newman

Wessex Astrologer Ltd. Paperback. Book Condition: new. BRAND NEW, Luna: The Astrological Moon, Paul F. Newman, Whether as muse, silver goddess, nourishing mother, priestess, maid, siren or witch, the influence of the Moon on our personality and perception is one of the least understood factors in our daily lives. Luna has fascinated, inspired, and frightened us since the dawn of human history yet She of the Three Faces is the clue to our most emotional and instinctive selves. This new work by Paul F. Newman probes the subtle meanings of habit and the irrational that the astrological Moon conveys and how we can comprehend it and make use of it for our benefit and security. The triple aspect of Luna is treated as paramount with examples of the effect of New Moon, Full Moon and Old Moon in the monthly round. There is also a new way of grasping the consequence of New and Full Moons according to their declination hemisphere, and the difference between summer and winter moons. While all computational aspects of the Moon are covered (phases, cycles, moon mansions, progressed moons, magic squares etc.) along with the meaning of how these things affect us, it is the...

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
