

You Add the Rainbow: Adult Coloring Book (Paperback)

By Tit Elingtin, Erin O Riordan

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Coloring for adults - a momentary, blissful return to the carefree days of youth, when our greatest concern was whether to use green, forest green, or kelly green for the grass. I have a confession to make: I never stopped coloring. In high school, I was fond of coloring books based on Walt Disney movies. My favorite one in college was of mythological goddesses. When Tit and I first got together, we had a streak of buying coloring books from art museum galleries; we still have a few hand-colored Matisse's lying around. But why should I have all the fun? Grab your implements of coloration and remember, your art must please no one but yourself. - Erin O Riordan.
