Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: .under examination, public policy and commercial convenience plainly require that the officer. should inform a defendant, if within his jurisdiction, that he takes his stock under the writ; also, that he should go to the office of the company, and, by giving notice of his execution there to some officer, and requiring a certificate, as secured to him by the fifth section of the act, he should obtain a control over the shares, and should demonstrate his intention from that time forward to appropriate them, in obedience to the command of his writ. Without such ostensible and certain appropriation of the property, an inventory and return should not sufficiently indicate a levy upon this species of effects. They might lead to. great losses and to frauds, and materially embarrass the sales and transfers of stock. Such would not be a taking of the property, within either the letter or the spirit of the act. The Revised Statutes of 1846 make bank notes belonging to.a defendant in execution liable to be taken upon a fi. fa. Would an officer make a sufficient levy upon a one hundred dollar bank bill, so as to hold it against a transferee of the debtor, by an inventory and return, the money remaining in the debtor s possession subject to his control? Such a doctrine could not be gravely insisted on. In the case before us, the sheriff having omitted to do those acts which were requisite to make his...
