Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This story is about the twins, Tommy and Tammy, that get the chance to help their small town. Because of a shut down of the town s sawmill, many people leave to find work elsewhere, enabling the twins to start their career as the world s only fire fighting children! At the end of their exciting story, they deliver tips on fire safety and a copy of a fire safety plan for children to fill in and put on their bedroom wall showing at least two ways out and a safe meeting place outside. The hope is that Tommy and Tammy will do what the fire safety house does: get children s attention while teaching them about home safety issues. Their story can hopefully reach into the small towns and remote villages that will never have a fire safety house due to the costs involved to build and man them. The twins also talk the merits of practice, hard work and team work as a way of life.
