Have you spent time feeling guilty because you can't seem to commit? This book gives you the answer! It's widely known that meditation practice can bring positive and powerful benefits to your life but it isn't always clear exactly how to go about starting to meditate at home. There are plenty of books on mindfulness and meditation techniques but very little guidance on starting a personal meditation practice of your own that will work for your lifestyle. Even if you've never done it before. At the end of this book you will be: - Looking forward to your meditation each day - Finding the motivation to continue your practice - Gaining more clarity in your thinking as your practice deepens - Connecting with your innate creativity and wisdom on a regular basis This book is full of usable content from someone who has spent the past ten years developing and refining his own nourishing meditation practice. You're about to discover how you can do the same! Meditation Power also comes with downloadable worksheets, checklists, and meditation audios to help you all along the way.
