Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

CASTES OF MIND: COLONIALISM AND THE MAKING OF MODERN INDIA

[DOWNLOAD PDF](#)

Orient BlackSwan/Permanent Black, New Delhi, India, 2003. Softcover. Book Condition: New. The author argues that caste is neither an unchanged survival of ancient India nor a single system that reflects some core culture. Rather than being an expression of Indian tradition, he argues that caste, as we know it now, is a relatively modern phenomenon, the product of the encounter between India and British colonial rule. This is not to suggest that the British invented caste, but to show that it was on account of British domination that caste became a single term capable of naming as well as subsuming Indias diverse forms of social identity and organisation. Dirks also examines the rise of caste politics in contemporary India, in particular caste-based movements and their implications for Indian nationhood. Printed Pages: 388.
