This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

Second Story Press. Paperback. Book Condition: new. BRAND NEW, Pornography and the Sex Crisis, Susan G. Cole, Can we do something about pornography without using censorship? Yes, says award-winning journalist and activist Susan G Cole who is a senior editor of NOW Magazine. Moving beyond the arguments that have polarised the world around this issue, she presents an argument that is original and challenging. This book deals with the lived reality of pornography by dealing with such questions as: What is pornography? What are its effects?
