Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Hippolytus and His Age; Or the Doctrine and Practice of the Church of Rome, Vol. 1 of 4: Under Commodus and Alexander Severus; And Ancient and Modern Christianity and Divinity Compared The book which I venture to present to the Public, has grown out of letters written to an English friend on a subject of common interest: and I must plead this circumstance as my apology for undertaking a task so hazardous as the composition of a work in English must always be for a foreigner. The subject itself requires no apology, nor does it need any recommendation, in the eyes of a Public much alive to whatever is connected with Christianity. A few words only of introduction, on the history, purport, and bearing of the patristic relic which is the immediate object of this inquiry may be desirable in this place. Some months ago a curious problem was presented to the Christian world, by the publication of an important work, long lost, treating on the primitive doctrinal history of the Church.
