THE GRAVE ROBBER AND HIS WOMEN

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.A famous Chinese saying goes, Want to be rich? Go and rob an ancient tomb! The Chinese people have traditionally buried all sorts of riches with their ancestors as an expression of filial piety. Indeed, it is said that at least one-third of China s national treasures are hidden underground. However, as these tombs often become the targets of greedy thieves, a new saying is born: Out of ten tombs in China, nine have been emptied out. Set against such a background, The Grave Robber and His Women tells the story of Gao Tianfei, a man of remarkable courage, who will do anything and everything possible to look after his beloved families and friends. Various thrilling events enable Gao to establish passionate relationships with six different women. These events also help to shape Gao into an experienced robber of the most structurally complex and dangerous tombs across China. Full of love, lust and plenty of action as well as intrigue, this is a story that will make you long for your own adventures.
