Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

SWEAT ON MY BROW: THE STORY OF MY LIFE

DOWNLOAD

Tate Publishing Enterprises, United States, 2012. Paperback. Book Condition: New. 211 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.I remember when I was in second grade, Mother had me stay home a few times to help her gather vegetables from the garden. I felt very fortunate to get to stay home from school, even though that meant a lot of hard work. It also meant time with Mom, listening to her teach me about planting and harvesting. At the time I didn't understand what a metaphor this was for life. As Bert Ferganchick grew up on a farm in the 1930s, he learned two important lessons. One was a strong work ethic, and the other was a constant devotion to God. From helping his mother in the garden, to coal mining with his brother, to serving in the Korean war, to smelting airplanes, Bert always felt satisfied with a day of hard labor. In addition, Bert always knew to trust God to meet his and his family's needs. Both of these lessons served him well: by giving up everything to God, God returned everything to him ten-fold. Now retired from a highly successful business and a proud parent of four grown children, Bert is a content man who knows the true meaning of joy. Sweat on My Brow teaches the value of honest work, a godly life, and the satisfaction that both can bring.
