Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hogs The author has not undertaken to write a thesis, but having commenced the business of swine breeding when quite a young man and following it for practically forty years, he has been requested to write this book along practical lines. Beginning with a pair of young pigs many years ago, the only way anything concerning the subject has been learned has been by actual experience. This experience has been costly, but what is learned at the greatest expense one never forgets. For many years the writer did all his own work in the business of swine breeding and feeding as well as showing. He gained in knowledge as he gained in experience. I cannot recall any labor or duties connected with the feeding and breeding of swine that I have not carried on personally, and step by step grown in the business from the smallest possible beginning until a trade has been built up that extends throughout the United States and into foreign countries. Being of a temperament that never gives up, and with a determination to stick to the business through thick and thin, I have never wavered from my determination to make it a success and a permanent business. Early I decided to follow the purebred business, selling principally to breeders, and feeding for market hogs that did not come up to a standard of excellence necessary to satisfy customers. I have never had any reason to change my first decision. Of course, in the early days it was a hard matter to find customers, but good care, feeding and advertising and the following of the showing, gradually brought us to the attention...
