

Outperforming the Market: A Case Study Approach to Selecting Investments

By Larry MacDonald

ReadHowYouWant. Paperback. Condition: New. 208 pages. Dimensions: 10.0in. x 7.8in. x 0.5in. The stock of a steel company rises 700 percent in just over a year. The currency of an emerging country plunges 50 percent in a week and wipes out billions of dollars from the accounts of North American investors. The margin deposit on a futures contract increases ten - fold in less than three months. These are just a few examples of some opportunities for gains and losses that financial markets can generate. Some investors have turned the gyrations of financial markets into fortunes - a couple of high - profile names being Warren Buffett and John Maynard Keynes. Many other investors, unfortunately, end up like Isaac Newton, who after losing a bundle on the stock of the South Sea Company, exclaimed: I can calculate the motions of the heavenly bodies, but not the madness of people. Outperform the Market presents a series of case studies that describe situations in financial markets where the opportunity for significant gains or losses has been present. The insights that emerge will help every investor - whether beginner or experienced pro - to better assess future financial possibilities. Using U. S. , U....
