## THE MANIPULATRIX (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.MANIPULATRIX n. a female manipulator, esp. one who uses sex and psychology to influence the behavior of others. This is an erotic tale of pleasure and pain, domination and submission, benevolence and sadism and the female s cunning ability to manipulate the male. Imaginative, self-willed but stuck in dull domestic, Christina longs for a bit of excitement in her life. Her forays into sexual misadventure begin with the snaring of an unwitting neighbour but there are others lurking in the background who don t want her having fun. Brought to book and punished for the error of her ways, pain fades quickly from Christina s memory but humiliation rankles and so she devises a plan to reclaim her self-esteem by striking at her opponents weaknesses: their submissive men-folk. In a daring game of cat and mouse she must weave her web of feminine wiles, luring her victims in so that she can take her revenge - and her pleasure - in a way that will make you look at your boring, predictable neighbours in an entirely new light.
