*This book will be worth getting. Better than never, though I am quite late in starting to read this one. It has been written in an extremely basic way which is only right after I finished reading this book through which it actually altered me, altered the way I believe.*

Little Brown Company Medical Books, United States, 1985. Paperback. Book Condition: New. Reprint. 175 x 112 mm. Language: English . Brand New Book. In the wake of a humbling incident aboard a canal boat in the Cotswolds, young Captain Horatio Hornblower arrives in London to take command of the Atropos, a 22-gun sloop barely large enough to require a captain. Her first assignment under Hornblower s command is as flagship for the funeral procession of Lord Nelson. Soon Atropos is part of the Mediterranean Fleet s harassment of Napoleon, recovering treasure that lies deep in Turkish waters and boldly challenging a Spanish frigate several times her size. At the center of each adventure is Hornblower, Forester s most inspired creation, whose blend of cautious preparation and spirited execution dazzles friend and foe alike.
