For this reason, most people are unfamiliar with the process of papermaking and the pleasure of handling an individual sheet with an uneven, deckled edge or a surface encrusted with texture. The creative potential of papermaking is enormous - with basic materials, you can create some amazing projects, including paper sheets made with straw, and three-dimensional forms which are made by embedding grasses within the wet sheets. The volume contains more than stationery, with ideas such as Paper Bowls, a Japanese-bound Book, and a Wall-hung Memory Quilt. Whether an understated sheet in muted tones with an embossed motif or a rich collage construction of individual elements, every handmade project will become an object to treasure.
