Each a powerful and evocative tale, and each, so different. The Yggdrasil Codex Let Sleeping Draugs Lie Ill Buy You The Moon Crime and Punishment ----- The Yggdrasil Codex In this life there are a great many profound questions that have yet to be answered: Are we the first intelligent life in the universe Why are we here Man continues to ask these questions, apparently to deaf heavens. But what if someone, or something, did answer In the short story The Yggdrasil Codex, two University researchers stumble upon an incredible secret encoded on ancient Scandinavian runestones. Their discovery leads them into the world of modern code-breakers and ultimately leads to a revelation with galactic consequences! Let Sleeping Draugs Lie Its Erik Ragnarssons first summer raiding season. With his new ship Ottar, and his very own crew, Erik sets out for glory and wealth. A freak storm blows them off course and when they make landfall, things are not as they seem. Erik and his foster brother, Arndt, must work together to battle fellow crew, and a great evil stalking the island! Ill Buy You The Moon A selfless girl sacrifices everything, struggling to survive in a gritty dystopian future in order to fulfill her little sisters one dream - to see the Moon. Most people would agree that there are limits to what you can own; owning other people is forbidden, at least in the modern world. But what about everything else We can own the land, the minerals underground, as well as the sea (within a set number of miles of sovereign territory). But what about the sky Or even...
