Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Popular Guide to the Free Museum and Corporation Art Gallery of Cardiff It is desired that this Museum should be a place where examples of all that is valuable for the training of the mind, the eye, and the hand of man can be found, where it can be well and easily seen, quietly studied, and carefully preserved for the benefit of future generations. 2nd. A permanent place of safety for all local objects of antiquity, where they may be referred to at any time, and where proper safeguards may be made for their preservation. Many objects of great interest are found from time to time which singly may be of no great importance, but when carefully collected and preserved may throw great light on the early history of our district, and of mankind generally. These, it is hoped, will be deposited as soon as found, and a permanent and exact record made of all the circumstances connected with their finding. 3rd. A complete collection of the indigenous plants of the district, the local vertebrate and invertebrate animals, especially such as are either useful to man or are injurious to his crops, property, etc. This is a matter of great importance, as it will be found that very few people we meet in every-day life know anything about our commonest pests, and again and again great panic and loss is caused, simply from the ignorance generally prevailing about common things. 4th. A complete local collection of the record of the Rocks of the district, with the best specimens of all the remains of animal or vegetable life, as well as all minerals, crystallizations, concretions,...
