Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Isthmian Canal: A Lecture It is perhaps a very unsatisfactory, and a rather appalling introduction to be brought before you as one who knows all about so mooted a question as that of the Isthmian Canal. I will acknowledge that I think I do know something about it, but there are plenty of people who will tell you I do not. I shall therefore start on the principle that I do know; and I trust, with the respect which I have no doubt you have for the opinion of your president, that you will all agree with me in what I say. This is the third time which I have recently spoken on this particular subject. The first time was before a commercial club, and I endeavored then to describe the different canal routes, particularly Panama and Nicaragua, and to state as briefly and as plainly as I could their physical characteristics and their respective merits. The second time I spoke to a reform club, and as reformers are not supposed to deal especially with commercial considerations or engineering details, I spoke then of the reasons why a canal should be built, and the effect which an isthmian canal might be expected to have in furthering the good ends which it is supposed reformers intend to accomplish. I do not exactly understand what the special character of this club is; but in one respect it differs radically from either of the others, as all the members of each of the other clubs wore black clothes. I must therefore on this occasion take up the subject in a rather more general way, and speak both...
