THE ECONOMICS OF CONSUMER CREDIT (PAPERBACK)

MIT Press Ltd, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Academic research and policy discussions of credit markets usually focus on borrowing by firms and producers rather than by households, which are typically analyzed in terms of their savings and portfolio choices. The Economics of Consumer Credit brings together leading international researchers to focus specifically on consumer debt, presenting current empirical and theoretical research crucial to ongoing policy debates on such topics as privacy rules,...
