Brand New Book ***** Print on Demand *****.Excerpt from Roosevelt in Africa: Graphic Account of the World s Most Renowned Hunter in the Wilds of Africa, His Unerring Aim and Wonderful Ability as a Hunter, Encounters With Lions, Tigers, Elephants and Other Wild Beasts of the Jungle; Containing Also a Complete History and Study of W The Roosevelt hunting expedition, which gives the special title to this work, is herewith described because its chief figure is not only an ex-President of the United States, but an American authority on wild animals who, in his ambition to become a world authority, thus ventured into some of the most famous hunting grounds of Africa. Another reason why unusual prominence is given to it, is that it is one of the most noteworthy expeditions ever organized to hunt big game and make scientific investigations among the animals of perhaps the most important zoological division of the earth. From my earliest boyhood, wild animal life has had a fascination for me. I have been nearly over the globe and in most of the countries where wild animals have been least disturbed by civilization. I have carefully studied each wild animal with a view to becoming acquainted not only with its physical appearance, but with its habits and manner of living, with all the traits of its character and every detail of its private life. In describing the animals I have tried to avoid the use of all scientific words and terms so as not to confuse those readers who have made no special study of zoology. My experiences have taught me the truth of the Scriptural saying that man and the animals are kin, and I hope and believe that I am doing...
