Legacy Books Press, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the later years of the 17th century, as England and France fought for dominance in Europe, Ireland became their battlefield. Known as the Williamite War in Ireland, a coalition of the willing from England, Scotland, Holland and Denmark waged a campaign against Jacobite Ireland and the French forces of King Louis XIV. Once the war was over, Ireland would be forever changed. Remarkable and gripping, this is Andreas Claudianus first-hand account of the Danish campaign in Ireland, presented for the first time in a bilingual English and Latin edition. Frank, brutal, and compelling, Claudianus provides a look at 17th century warfare not from the world of generals, princes, and kings, but from the perspective of the common foot soldier.
