Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pizza, technology, murder and scandal! Zack Zander, billionaire CEO and founder of MySlice, is on top of the world. Silicon Valley's hottest tech company, MySlice is an ingenious marriage of a pizza chain with social media. But then Zack and three senior executives are savagely murdered onboard his yacht. Lounging in a villa in Maui, Mike Gold is asked to take over as MySlice CEO. He relishes the challenges of rebuilding the executive team, calming dismayed employees and soothing the financial markets. But the murders don't stop, and as the body count climbs, Mike wonders who he can trust and who is killing MySlice executives. As he rushes to find the answers in order to stem the tide of negative publicity swirling around his company, Mike uncovers a secret that could destroy MySlice and derail the presidential ambitions of the nation's hottest politician. But his clever plan to deal with this mess literally explodes in his face. This is the fourth novel in the Mike Gold Mystery Series. As the earlier books (Opium, Charisma, Riding the Tiger) showed, Mike is a great Silicon Valley CEO, but trouble seems to find him with alarming regularity.
