Blurb, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For centuries, violent Muslims have been trying to capture Europe for Islam. Sweeping out from its origin in Saudi Arabia, Islam has expanded through violent conquest into North Africa, the Middle and Near East - and very nearly into Europe itself, attacking through Spain, Italy, and the Balkans. Each time, the Islamic hordes were turned back by a united European military effort. Today, the Islamic invasion is not being carried out with sieges, scimitars, or cannon, but rather by immigration, birth rates, and demographics. Given current trends, Europe is set to be overrun before the end of this century. Finally, this book dares to say what must be done if Europe is to avoid succumbing to the new invasion. The choice is hard, but is one which will determine whether Western Civilisation lives or dies.
