Voyager, 2015. Paperback. Condition: New. Language: English . Brand New Book. It frightens me, knowing the One has called up two such strong individuals. It means that there are troubled times in our future, and you must prepare yourselves. The Temple at Illian is the crown jewel of life in the Northern Territory. There, pledges are paired with feli, the giant sacred cats of the One god, and are instructed to serve the One's four capricious deities. Yet Sulis, a young woman from the Southern Desert, has a different perspective--one that just might be considered heresy, but that is catching on rather quickly . Sulis's twin, Kadar, meanwhile, is part of a different sort of revolution. When Kadar falls in love with a woman from a Forsaken caste, he finds he's willing to risk anything to get these people to freedom. But with Sulis drawing a dangerous level of attention from the deities, and war about to break out on two fronts, change may not come as easily as either twin had hoped. An astonishing debut, Kelley Grant's *Desert Rising* brings to life a powerful new epic fantasy tale of determination and self-discovery.
