

Lusophone Africa: Beyond Independence (Paperback)

Filesize: 4.7 MB

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
(Otilia Schinner)

LUSOPHONE AFRICA: BEYOND INDEPENDENCE (PAPERBACK)

University of Minnesota Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Lusophone Africa: Beyond Independence is a study of the contemporary cultural production of Portuguese-speaking Africa and its critical engagement with globalization in the aftermath of colonialism, especially since the advent of multiparty politics and market-oriented economies. Exploring the evolving relationship of Lusophone Africa with Portugal, its former colonial power, and Brazil, Fernando Arenas situates the countries on the geopolitical map of contemporary global forces. Drawing from popular music, film, literature, cultural history, geopolitics, and critical theory to investigate the postcolonial condition of Portuguese-speaking Africa, Arenas offers an entirely original discussion of world music phenomenon Cesaria Evora, as well as the most thorough examination to date of Lusophone African cinema and of Angolan post-civil-war fiction. Throughout, Arenas evokes the rich multidimensionality of this community of African nations as a whole and of its individual parts: Angola, Cape Verde, Guinea-Bissau, and Mozambique, and Sao Tome and Principe since they gained their independence in the mid-1970s. In doing so, he puts forth a conceptual framework for understanding, for the first time, recent cultural and historical developments in Portuguese-speaking Africa.
