By Annie Searle Associates LLC, Suzann Parker, Chitra Raman

Tautegory Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Volume II in the Reflections on Risk series features 26 research notes by 14 different authors, all current or former graduate students at the University of Washington s Information School. Each research note is focused on a different contemporary risk issue. The volume is edited by Emily Oxenford, former ASA research associate. She has placed the research notes within the following chapters: Critical Infrastructure (Chapter 1); Privacy (Chapter 2); Finance (Chapter 3); Data Security (Chapter 4); Physical Risks (Chapter 5); Policies and Governance (Chapter 6). From early reviews: This second volume of Annie Searle s Reflections on Risk continues her tradition of bringing critical issues facing our society to the forefront through a careful combination of education, collaboration and inspiration. The essays in this book are a result of her mentorship and guidance of students in the University of Washington Master of Science in Information Management program at the University of Washington Information School, and provide a window into the varied and complex issues facing individuals and organizations as we move further into the Information Age. The background and insights provided in...
