Createspace, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.iPoems for the Dolphins to Click Home About is a book of poetry and fun having nothing to do with dolphins. It is for poetry lovers and haters. A richly eccentric book, it delves into themes at the heart of it all: love, loss, and how to kidnap your neighbors cat using a lunch box. The books 50 poems prove that poetry can be fun and at the same time meaningful and beautiful. These are not the poems your grandma read. These are the poems she wished she had read. iPoems verses reveal simple, accessible truths to intrepid readers. We want to be constantly shown and to constantly show higher vantage points, one line echoes and then answers, We want magic carpets to carry us under shimmering stars / above everyone elses lives, where tough questions instead / of being answered are set aside for higher simplicity. iPoems unassumingly achieves this higher simplicity. Its naked truths dig deeply, while its lyrical lines resonate richly. Instead of following the tired modes of poetrys past, it gives its wistful readers a new verse for the new world.
