BIBLE REVISITED: A SCIENCE FICTION RETELLING OF GENESIS

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book of Genesis in Bible has a fantastic story of the encounters between God and mankind, and a literal interpretation of that story runs counter to the current knowledge of physical sciences that mankind has. It leads to a natural question - Can a version of the Genesis be created which is not at odds with the...

Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, alter the way I really believe.

I just started out reading this ebook. We have read and so I am certain that I am going to go back and study it again in the future. I found out this book from my dad and I encouraged this publication to find out.

Very good eBook and valuable one. Better than never, though I am quite late in starting to read this one. I am very easily satisfied with the publication.
