But what happens when there is no father, or if the father is the perpetrator of evil against his own flesh? When this happens, many women are left wounded. Often turning to drugs, sex, and despair. They become angry at God or believe the lies of the enemy that they've gone too far, and God won't forgive them. Author Angela Hill-Jones *Healing the Hurting Woman* speaks to that pain and sheds light on the lies of the enemy. Using God's Word, she proves that no matter how far away from Him you've traveled, He waits for you to reach out and fall into His safe, loving arms of protection and restoration. Reflective questions and spaces to write your answers and thoughts will help you internalize what you've read and discover Him working in you. Hill-Jones writes from firsthand experience. She knows what it's like when one's soul feels empty. The words of *Healing the Hurting Woman* are like open-heart surgery for the soul. This item ships from multiple locations.
