Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.An historical look at how the implementation of Contemporary Idolatry is rooted in subversive and antiquated language. What makes contemporary idolatry difficult to pinpoint is its submergence in archaic, pagan terms. The average individual lacks the educational background (and interest) to research the etymology of ancient European languages and their subsequent morphology. The Euro-Gentile is able to easily set up these old school idols, wrap them in New Age jargon and utilize the deep ignorance and lethargic attitude of the masses to further establish an anti-YAH mentality.
