

The Home School: Or Hints on Home Education (Classic Reprint) (Paperback)

Filesize: 3.94 MB

Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.
(Blair Monahan)

THE HOME SCHOOL: OR HINTS ON HOME EDUCATION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Home School: Or Hints on Home Education Burns, in his memorable Cottar s Saturday Night, has described, with equal truth and beauty, that pious family life, which, in his days, was perhaps more general than it is now among the peasant homes of Scotland. I may be pardoned for quoting one of the well-known stanzas: - The cheerfu supper done, wi serious face Tbey round the ingle form a circle wide; The sire tome o er, wi patriarchal grace. The big ha Bible, ance his father s pride; His bonnet reverently is laid aside, His lyart haflets weirin thin and bare; Those strains that once did sweet in Zion glide, He wales a portion with judicious care. And, Let us worship God, he say* with solemn air. But while such domestic piety is still cultivated in our country generally more than elsewhere on earth, it is, I fear, in some danger of suffering from the present state and habits of society. The severe toil, late and early, in the workshop or counting-house; the absorbing love of gain; the ceaseless movement; the constant bustle; the intense excitement, sadly interfere with the earnest and quiet duties of the family. Life is becoming so public, that meetings and committees, minutes and resolutions about everything under the sun, are apt to rob the family circle, too frequently, of those who ought to be its beat and most useful members. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections...
